

Thank you for your interest in making a presentation for Monmouth Ocean Regional REALTORS' Breakfast Connections Series. The Breakfast Connections Series takes place at our Tinton Falls and/or Manasquan offices.

The primary purpose of these educational seminars is to provide informative and educational seminars that are relevant to starting, operating, managing and growing a career as real estate professional. Affiliate member presenters will be sharing their expertise on a selected topic, not openly promoting their specific business, products and services.

This is a professional development opportunity for you as the presenter and learning opportunity for those attending. The information that you provide on this form will be reviewed by the Education Committee and the Education Director. It is imperative that the information you provide shows clarity in your objectives and that your presentation has been well planned. You will be notified via phone and/or email of whether you have been selected and the month and date you will be presenting. Please note that you will be expected to provide breakfast for those attending and there is no presenter fee. You are welcome to partner with another Affiliate member for the presentation.

Please submit this to Karyn Mayers at karynm@morr.realtor If you have questions contact Karyn at 732-918-1340 x15

Speaker Name: _____
